Preface

Welcome to the eighth running of the Dunoon Presents Argyll Rally, the fourth as a closed road tarmac rally. Once again we are proud to be supported by Dunoon Presents and the business community of Dunoon. We sincerely hope that everyone attending the rally will return that support by frequenting as many local businesses as possible whilst attending the event.

For 2024 we have extended the total stage mileage yet again in a bid to make the event the best value for money possible. The Friday leg will commence with two runs of the popular Dunoon Town Centre stage followed by a further five stages to bring the total mileage of the opening leg to just over 27 miles. Saturday will feature two loops of stages with a service in between to bring the total competitive mileage to almost 75 miles. We hope the route will offer all crews some challenging and enjoyable stages in the picturesque surroundings of the Cowal Peninsula.

Following feedback from previous years we have made a number of changes to hopefully make the event more straightforward and enjoyable for everyone involved. With the average speed for sealed surface rallies now increased to 80mph have been able to decrease the number of chicanes without compromising the safety of the event. To aid competitor's preparation for the event each stage will only be run in a single direction to reduce the time needed to complete the pre-event recce.

As organisers we extend our sincere thanks to both Argyll and Bute Council and Police Scotland for their support in acquiring the relevant approvals to be able to close the public roads for the enjoyment of competitors. Our thanks also go to the hundreds of volunteers involved in ensuring the event runs safely.

We look forward to seeing you all in Dunoon in June.

Sam Spencer
