

Spectator Information

There are multiple spectator points as detailed below to allow you to enjoy this year's Dunoon Presents Argyll Rally. There is no set charge for parking at these spectator locations, however, at each location there will be people collecting money for charity. The suggested donation is £10 per car. All money collected will be donated to charity.

All spectator areas will be clearly arrowed with green "Spectator" arrows. The directions below utilise What3Words and we recommend downloading this app to aid finding each location.

Once the road is closed spectators must not walk on the stage route. Doing so is against the law and could jeopardise the running of the stage. Each road is closed at the times detailed below and will be signified by the passing of the "Road Closed" vehicle. This car will be identified with large signs on the side of the vehicle and red flashing lights.

Spectators will only be permitted to walk or drive on the stage route once the road has officially re-opened. The opening of the road will be signified by the passing of the "Road Open" vehicle. This car will be identified with large signs on the side and red flashing lights.

At all times please remember:

- Respect the marshals and follow their instructions
- Observe the colour coded tape and stand back from any tape, walls and fences
- Read and understand any safety signage. If you are not sure please speak to a marshal who will be happy to help.
- Don't walk or drive on the rally stage when the roads are closed – between the "Road Closing" and "Road Opening" vehicles with red lights
- Remain alert, rally cars can do what you least expect
- Do not walk beyond the marked spectator area
- Take all litter and belongings home with you
- Do not light fires

SPECTATE SAFELY!

- **Be alert!** Always expect the unexpected.
- Stay at the designated spectator areas.
- Remember that in an accident anything can happen.
- Always follow the instructions of the marshals.
